About Us

SINCE 2010

etcetera has promised and delivered highly innovative and personalized tutoring services to students of all needs and skill levels.

This year, we are excited to introduce our newest service, The Summer Camp! As the school year comes to an end, we understand the need for fun, engaging and educational activities for children during the summer months.

Activities for Kids

Our summer camp is jam-packed with exciting activities that will stimulate your mind, body, and creativity. Here are just a few highlights of what you can expect.

ARTS & CRAFT

Get your creative juices flowing with a variety of art projects! From painting and drawing to sculpting and printmaking, there's something for everyone.

SCIENCE EXPERIMENTS

Learn about the world around us by conducting scientific experiments with hands-on activities.

RECYCLING PROJECTS

Learn the importance of preserving the environment by using recycled materials to create new and useful items.

YOGA

Start your day the mindful way with a relaxing yoga session. Our instructor will teach you to better think and concentrate through meditation and stretching to help you feel refreshed and renewed.

Outdoor Scavenger Hunt

How many did you find?
Color them in as you find them

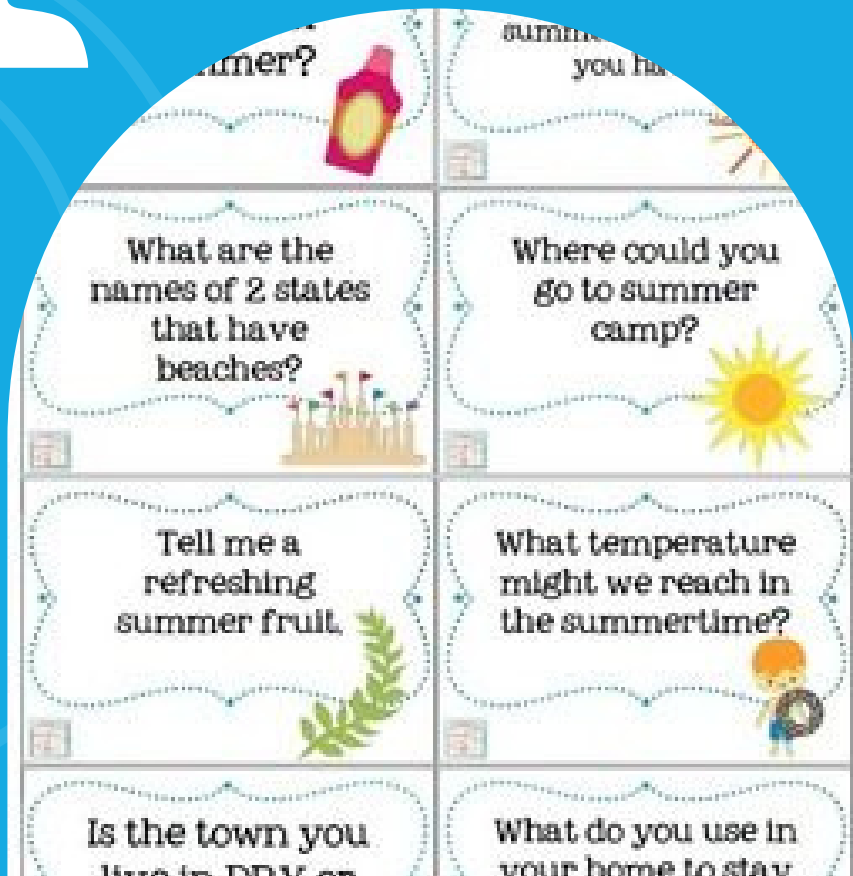

SCAVENGER HUNT

Explore our campus with exciting scavenger hunts. You'll be challenged to find hidden objects, solve riddles, and complete tasks in a race against the clock.

OBSTACLE COURSE

Test your physical abilities with our exhilarating obstacle course. You'll climb, crawl, and jump your way to the finish line, building strength and endurance along the way.

TRIVIA GAMES

Test your knowledge and wits in exciting games including trivia, puzzles, and brain teasers.

COOKING

Learn how to whip up delicious and healthy meals with our cooking classes.

ROBOTICS

Explore the world of robotics and coding with our activities. Build and program your very own robot to compete in fun challenges!

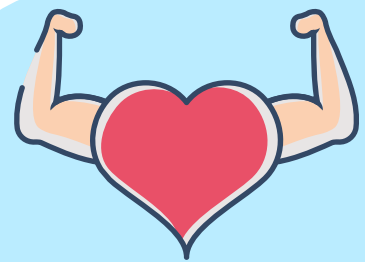

Excursions

Every Wednesday, join our fantastic excursions which are designed to provide our campers with unique and memorable experiences that will enhance their summer camp journey. A range of outdoor activities have been planned that are both fun and educational. Our campers will have the opportunity to go on nature walks, plant, hike, horseback ride, swim and enjoy water park rides.

Themes

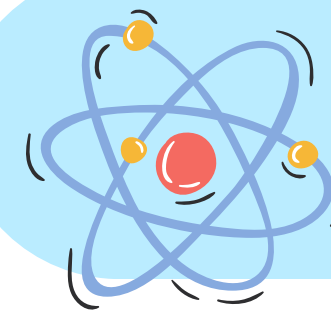

All our activities revolve around the following themes:

HEALTHY
HABITS

AROUND
THE WORLD

SCIENCE AND
TECHNOLOGY

GO GREEN

SUPERHEROES

ANIMAL
PLANET

Summer Camp Benefits

- Provides a break from technology and screens
